

Dear Guest,

In response to your inquiry we do not have our own airport shuttle, however there is a rapid transit system from the airport called the Canada Line that departs every 7 minutes from the airport every day from 5:10am to 12:57am. It takes approximately 25 minutes to reach the downtown core, and costs \$9 CAD per person. The closest stop to our hotel is Vancouver City Centre, which is 5½ blocks from our hotel (an approximate 10 minute walk).

Canada Line Vancouver City Centre Station to hotel:

1. Come out of the station and you will be facing Georgia St.
2. Walk to your left on Georgia St. for 3 blocks to Burrard St.
3. Turn left on Burrard St. and walk 1 block to Robson St.
4. Cross Robson St and then cross Burrard St. and turn left
5. Walk for 50 meters and the Hotel will be on your right.

As an alternative taxi cabs are readily available. It takes about 30 minutes to reach the hotel and costs \$31.00 CAD. Aerocar offers limousines and sedans, which are always on standby as well; on your left as you exit the airport doors. Sedan rates are \$50.00 CAD and limousine Rates are \$55.00 CAD plus applicable taxes. All major credit cards are accepted.

We would also be happy to arrange a private car pick up for you. Rates begin at approximately \$165.00 for this 'meet and greet' service.

Please do not hesitate to contact us if there is anything further we can assist with prior to your arrival with us.

Regards,

The Sutton Place Concierge
