TAG: Demographics

Christians in Israel have grown over the last year, and now make up 1.9% of the Israel population. Largely these are Arab Christians and are more likely to pursue a higher education than non-Christian Israelis. There is concern over the amount of evangelizing the Christian tourists are doing. One organization has withdrawn its support of Israel immigration, when it found its members evangelizing, saying that Christians must not "preach" the gospel to Jewish people, but learn to live in peace. Others disagree saying that the best thing Christians can do is to teach Jewish people about the Messiah Jesus.

As the invasion of Russia into Ukraine continues, the US president and Israel Prime Minister signed a declaration that called for an end to the invasion. Russia retaliated by announcing the dissolution of the Jewish Agency in Russia. The Jewish Agency works with Russian Jews to help them make Aliyah to immigrant into Israel, so far tens of thousands have moved to Israel and since the war started, another 10,000 have arrived in Israel. Russia's policies on not allowing freedom of religion and denied the ability to immigrate have long frustrated Russian Jews.

[2022.10.05 MISSIONSBOX Chaplains Prayer Tour for Ukraine](#)

Tag: Ukraine War

A US chaplain took a team of Believers and prayed throughout Ukraine. They prayed against antisemitism and for the government, all the while repenting for the people of Ukraine. It was a warm time of connections and fellowship amongst messianic rabbis, bishops, pastors, and soldiers from the cities in Ukraine the tour visited.
